# CONTROLLED ENVIRONMENT FROCK

## CEF0-WE-NW-HD-WHITE

### DESCRIPTION: HEAVY DUTY POLYPROPYLENE-NO POCKET-ELASTIC WRISTS-MANDARIN COLLAR-6 SNAPS ELASTIC BAND THUMB LOOPS AND HANGER LOOP

Keystone's Heavy Duty Polypropylene disposable Frocks are highly breathable and provides great comfort and protection. The extra-long, knee-length frocks protect the controlled environment from the number one source of contamination found in cleanrooms - people. The mandarin collar and the six-snap front provide better protection than the traditional lab coat. The elastic cuffs with thumb loops make donning gloves easier and prevents exposed wrists and forearms on your production floor.

### FEATURES

### BENEFITS

Spunbonded Polypropylene (SPP)	<ul style="list-style-type: none"> <li>✔ Economical, disposable first line barrier</li> <li>✔ Maximum breathability</li> </ul>
Thumb Loop	✔ Improves glove donning by preventing the sleeve from sliding up during the donning process
Hanger Loop	✔ Ease of storing garments on breaks and in lockers if needed
Mandarin Collar	✔ Provides more complete closure, eliminated the issues associated with lapel style collars
Knee-Length	✔ Directs contaminants generated from wearer away from critical sites to areas well below the work surface

**Applications:** Commonly used in cleanrooms, laboratories, medical and pharmaceutical industries.

All Keystone Safety Product components comply with the provisions of the Federal Food, Drug and Cosmetic Act, which allow repeated use in direct contact with food. Fabric conforms to FDA code of Federal Regulations Title 21, Rule 110.10 & 177.1950
