POLYPROPYLENE HOOD

DESCRIPTION

Polypropylene hood with elastic closure is made of a breathable fabric that provides economical protection and excellent hair containment. It is the best low cost solution to protect workers against dry particulates, dirt and grime. The **crown** style offers an overall more spacious wider design in situations where more room is required.

CHARACTERISTICS

- Non-woven 100% spun-bond polypropylene
- 100% latex free
- **Crown** style design

H-NWI-E-CROWN
