# KEY-TEC COOL COVERALL

## DESCRIPTION

**Key-Tec COOL** coverall is a new innovation produced with microporous material fabric on the front and SMS on the back to increase comfort through greater breathability in warmer work environments. Seams are over-locked to a standard 7 +/- stitches per inch. Keyguard Coverall w/blue SMS back with elastic wrists and ankles and attached hood. The special design of **Key-Tec COOL** Coverall is guaranteed to offer protection without compromising comfort. It does so with optimized body fit and increased range of movement for better breathability and is ideal for working in warmer environments. Thicker weight fabric ensures better mechanical strength and provides a strong barrier against particulates.

## CHARACTERISTICS

- Elasticized hood, cuffs, back and ankles
- Zip front
- Storm cover flap with self-adhesive tape
- Serge seams
